

Product data sheet

E 170/2

Scissor drive as design solution for optimal ventilation of wide windows

Product features

- Combines the OL 90 N fanlight opener and the E 212 electric linear drive in one product
- Scissors integrated into the cover profile
- Appealing design and additional protection against dirt
- The opening width can be variably adjusted and therefore be flexibly regulated on site

Application Areas

- Natural ventilation (24 V or 230 V design) in the façade area
- Solution for activation of wide windows
- Inward-opening bottom-hung casements
- Installation on wooden, plastic or metal windows
- Frame installation

Product Data Table

Productname	GEZE E 170/2, 230 V up to 1600 mm
Height	85 mm
Depth	35 mm
Current consumption	0.4 A
Power consumption (max.)	90 W
Temperature range	-5 °C 60 °C
IP rating / protection rating	IP42
End position cut-off extended	Limit switches
End position cut-off retracted	Limit switches

Accessory

Product name

- Standard leaf bracket
- Sliding leaf bracket
- Variable cover for E 170
- GEZE safety scissor no. 35
- GEZE safety scissor no. 60
